big-wall checklist

haulbag & haul-system variations

2 person

hauling-system: 1 all-in-one hauling with pulley (>= 35 kg),

1 hauling line

2 haulbags (7600)

1 gearbag or nest bag

1 portaledge

1 shit tube

3 person

hauling-system: 2 separate haulings

2 wall-haulers 2 hauling lines

2 or 3 haulbags (7600), best weight distribution

if no 3rd haulbag: 1 Astrobag or like (sleeping bags, clothing, daily

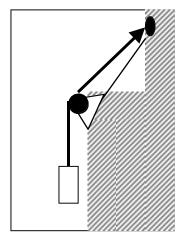

food&water)

1 gearbag, nest bag

2 portaledges (1 double + 1 single)

1 shit tube

→ use a pulley-roll for the haul line over edges at the belay

Basic equipment

		1	2	3
	Topo of climbing route			
	60 m supersafe lead rope			
	60 m static rope (hauling)			
	60 m static rope (hauling) in case of 2			
	haulings			
	60 m zip line optional			
	Wall-hauler + screwer			
	Pulley-roll + loop			
	1 swivel, 1 extra in case of 2 haulings			
	1-2 Bottle-necks for knot protection			
	2 Petzl basic ascender for hauling and			
	pulley-system			
	Portaledge (double or single)			
	Rain fly or bivy sac alternatively			
	2 screwers for portaledge + fly			
	Haulbag #1 + anchor-sling			
	Haulbag #1 inside padding			
	Haulbag #2 + anchor-sling			
	Haulbag #2 inside padding			
	Haulbag #3 + anchor-sling			
	Haulbag #3 inside padding			
	Gear bag or nest bag			
	1 lower-out line 12-15 m, 10 mm			
	4 screwers for belays			
	2-4 screwers for haulbags + gear bag			
	biners for haulbags			
	2 daisy chains for belay setups			
	2 rope hooks for rope management			
	walkie-talkies + batteries			
	headlamps + batteries			
	padding for back on bivy if haulbag inside			
	padding does not work			
	Duct tape			
	Finger tape			
	First aid kit			1
	sunblocker			1
	Travel baby pampers			1
	8 shit bags minimum			1
	Big wall John, shit tube			
l		1	1	1

climbing equipment general

	1	2	3
Cheater stick (recommended in case)	•		
1 belay device			
(GriGri oder Rappel-device)			
20 biners without a nose (good for nuts)			
20 biners normal			
4 rappel rings			
all cams assumed to have a biner			
Aliens			
Hybrid aliens			
Cams or camelots			
1 tube (bro) 4-5			
ball-nuts			
Off-set nuts			
Micro nuts			
Small to medium nuts			
Bigger nuts (heavy !)			
Bolt or rivet hangers			
1 fish hook			
1 normal hook			
1 bat hook for holes			
2-3 cam hooks			
LA pitons			
Angle pitons			
rurps			
Bird-peaks			
Heads 1-4			
Tie-off slings			
8-12 runners			
1-2 hammer			
1-2 nut-tool			
1 cleaning-sling + fifi-hook (for steep or			
roof sections) with pull-out-loop			
1 bolt-set			
3-n bolts			
	<u> </u>		

Personal equipment (climbing + clothing) for each individual

	1	2	3
5 personal biners	-		
4-6 clippable bags			
1 waste bag			
4-6 bag biners			
1 helmet (meteor)			
Wall boots			
climbing boots			
Wall gloves			
1 harness light			
1 fiffi-hook to harness			
1 gear sling (or double gear sling)			
1 rappel device + screwer			
waiste-pack for small things			
Ascenders (USHBA preferrably)			
adjustable footloops to ascenders			
2 daisy chains			
2 Aiders or 2 russian aiders			
1 ropeman + 2m cordelette			
Belay seat foldable			
1 sleeping bag			
1 camera + film			
1-2 additional films			
1 climbing watch			
1 headprotection against wind			
1 Sunglasses with windprotection			
1 goretex cap			
1 goretex jacket			
1 downee jacket or Patagonia Jacket			
1 windjacket ultralight			
1 wall trousers or			
1 wall shorts + tights			
2 T-shirts			
2-n underpanties			
1 fleece-jacket			
1 baseball cap			

Food & Water (calculate according to days on wall)

	1	2	3
Liquid in 2liter or 1liter-bottles with loops			
Best performance: Gatorade bottles			
Daydrink: original Powerade/Gatorade			
Or prepared with powder + vitamine C			
Normal water for bivy and cooking			
Normal water with magnesia: prevents			
cramps			
PowerBars (cliff, harvest etc)			
Tupperware-box for food			
1 cooking-set ultralight (titanium)			
(stove, new gas, pot, cup, knife, fork, spoon)			
Bagels or other breakfastbars			
Cups of dried food to fill up with hot water			
- muesli cups			
- noodle soup cups			
- spaghetti cups			
- potatoe cups			
- other dried food you like			
avoid outdoor dried menue packs, pots and			
cups must be cleaned on bivy			
Crackers oder similar bread			
Special dried ham, presliced			
Cheese block (on cold weather)			
Small tins of seafood (protein)			
Nuts + raisins			
Other nuts (mix)			
1 apple per day			
M+M s			
Nescafe + milkpowder filled in special boxes			
Teabags (if no coffee-friend)
